

Universal Sales Engineered Products & Services and L&A Electric

UNIVERSAL SALES ENGINEERED PRODUCTS & SERVICES AND L&A ELECTRIC combine to create a single source for electro-mechanical rotating equipment products & services with over 50,000 square feet of warehouse and repair facilities. Universal Sales Engineered Products & Services and L&A Electric sell, remanufacture and service electro-mechanical rotating equipment such as air compressors, electric motors and controls, blowers, vacuum pumps as well as engineered and industrial gearboxes. Also offered is a comprehensive technical service to provide both custom solutions and fully integrated equipment packages.

Source Solutions

At Source Atlantic we offer you inventory management and procurement solutions. The Source Card, Vendor Managed Inventory, Source Vendor, National Contracts, Inventory Turnover Analysis, Inventory Risk Management, and Standardization are just some of the sound solutions we provide to save you time and money!

A Source Atlantic Company

Saint John

11 McIlveen Dr.
Saint John, NB E2L 3T9
Tel: (506) 634-2309
Fax: (506) 644-2567
Toll Free: 1-888-515-6060

Truro

401 Willow Street
Truro Industrial Park
Truro, NS B2N 6X6
Tel: (902) 897-0787
Fax: (902) 897-9896
Toll Free: 800-363-5580

Air Compressors

- Ingersoll-Rand
- Rotary Screw
- Up to 500HP
- Dryers
- Filters

Enviro-namics

- Centrifugal Pumps
- Power End Upgrades
- Mechanical Seals

New Motor Sales

- Industrial
- Three Phase - AC
- Fractional to 10,000 HP
- Chemical Duty
- IEEE 841
- Explosion Proof
- Crusher Duty
- Inverter Duty
- Brake Motors
- IEEE 45 Marine Duty
- Vertical P-Base
- Motor Starters (Disconnects, Variable Frequency Drives, Soft Starts)

Pumps/Pump Packaging

- Industrial
- Centrifugal
- Positive Displacement
- Vertical Turbine
- Special API-610-8
- Power Generation (Main Boiler Feed, Cooling Water, Condensate Circulation)

Remanufactured Motors

- NEMA MG-1, T-Frame
- 575 VAC, 3 Phase
- 1 HP to 400 HP

Rotating Equipment Repair

- Electric Motors to 5,000 HP
- AC / DC
- Induction / Synchronous
- Generators, 20KW +
- Boiler Feed Pumps
- Vertical Turbine Pumps
- Plunger Pumps
- Gearboxes
- Rotary Lobe Blowers / Vacuum Pumps
- Liquid Ring Vacuum Pumps
- Reciprocating Air Compressors
- Rotary Screw Compressors
- Pulp and Paper Process Pumps

Services

- Equipment Packaging
- Rotating Equipment Installation
- Laser Alignment
- Vibration Measurement / Analysis
- Compressor Maintenance
- Dynamic Balancing up to 5,000 lbs.
- CSA Approved for Explosion Proof Motors
- VFD/Soft Start on-site diagnostics
- Motor Redesign
- Motor Management Programs
- Large Motor Diagnostics
- Motor Disposal, 50HP +
- 84" VPI Tank
- CO₂ Cleaning

WEG

- Soft Starts
- VFD-Variable Frequency Drives
- AC/DC Motors- NEMA & Metric
- CCT Breakers
- Generators
- Low Voltage Switchgear
- High Voltage Transformers - 10MVA +

L&A ELECTRIC
