

Register for the Nova Scotia Apprenticeship Agency's Carpenter Consultation on Feb. 26

Dear CANS Member:

The Board of the Nova Scotia Apprenticeship Agency, through the Carpenter Trade Advisory Committee (TAC) has been exploring new training and development options with industry partners in the Carpenter Trade. We would like to invite you to attend an employer only session here at CANS, where we will share and discuss labour market information as well as the potential options for new training pathways, with the objective of increasing completion, certification levels and expertise within this trade. Corporate Research Associates will facilitate the discussion on behalf of the Nova Scotia Apprenticeship Agency.

There is an opportunity to increase participation levels in training and certification by offering voluntary certification in four areas of concentration: Formworker, Framer, Interior Finisher, Exterior Finisher.

You are invited to participate in the discussion and attend the meeting on Tuesday, February 26, 2019 from 10:00 AM - 12:00 PM. Refreshments will be available at 9:30 AM.

Space is very limited. As such, registration is REQUIRED. Please register by February 19, 2019 to Sheryl Farrington sfarrington@cans.ns.ca

If you have any questions, please do not hesitate to get in contact with me.

Sincerely,
